PROFILE SUMMARY

Targeting **Full stack Developer** roles with an organization of high reputation with a scope of improving knowledge and further career growth.

EDUCATION

BE Computer Science

Dec 2020 – May 2024

Impact College of Engineering and Applied Sciences, Bangalore. CGPA: 7.15

INTERNSHIP EXPERIENCE

Rooman Technologies Pvt. Ltd. – Java Full Stack Developer Intern

Feb 2024 – Present

- Building user interfaces using HTML, CSS, and JavaScript.
- Assisting with the implementation of responsive design to ensure web applications work on various devices.
- Building and maintaining server-side applications using Java and related frameworks like Spring Boot.
- Writing efficient SQL queries and ensuring data integrity and security.
- Assisting with database design and data modeling.

Karunadu technologies Pvt. Ltd. – web application development using dot net Intern

Aug 2023 – Sep 2023

- Gained a solid understanding of the **.NET** framework and its components, including ASP.NET for web applications.
- Developed user interfaces using **HTML**, **CSS**, and **JavaScript**, ensuring responsive design and cross-browser compatibility, while writing server-side code with **C#** and **ASP.NET** within the .NET framework.
- Designed, developed, and managed databases using **MS SQL Server**, optimizing **SQL** queries for data retrieval and manipulation to ensure data integrity and security.

TECHNICAL SKILLS

Languages: C#, Java, JavaScript, SQL.

Frameworks: .NET, Bootstrap, Git, GitHub.

PROJECTS

Water Quality Prediction

Nov 2023 – Mar 2024

- Collaborated with a team to apply AI and ML algorithms for predicting potable water quality, ensuring accuracy and reliability in the prediction process.
- Trained the Dataset using python libraries and comparing accuracy score of various machine learning model.
- Developed and implemented advanced machine learning algorithms to accurately predict water quality, resulting in a 25% increase in prediction accuracy over the previous model.

EasyPark

Sep 2023 – Dec 2023

- EasyPark utilizes **C#** with **ASP.NET** and **MS SQL Server**, application is integrated with a database for data storage and data integrity.
- This web application is only accessible by the admin, Resulting in Data integrity and Security.

ACHIEVEMENT

TECHNO-CLONE

Dec 2018

Participated in **TECHNO-CLONE** and Secured **Air 97th**, **State 10th**, **District 1st**, Invited to attend **science-expo** in **IIT Guwahati** and awarded with a certificate and **silver medal**.
